

# JENNIFER TAO

---

(925) 963 8425 | jenntao@stanford.edu | linkedin.com/in/jenntao

## EDUCATION

---

- 2014 – 2018      **Stanford University, B.S. in Computer Science**
- GPA: 3.7
  - Sample Coursework: Programming Methodology, Programming Abstractions, Computer Organization and Systems, Introduction to Probability for Computer Scientists, Embodied Interfaces, Principles of Computer Systems (in progress), Android Application Development (in progress)

## ACADEMIC PROJECTS

---

- 11/2015 – 12/2015    **Heap Allocator, CS107: Computer Organization and Systems**
- Designed and implemented a heap allocator in C that responds to malloc, realloc, and free requests
  - Explored performance trade-offs by balancing tight memory utilization and high throughput
  - Worked in a team of two using a pair programming approach

## EXPERIENCE

---

- 7/2015 – 3/2016    **Student Fundraiser, Ruffalo Noel Levitz**
- Called potential donors on behalf of Stanford University to improve fundraising
  - Raised over \$13000

## ACTIVITIES

---

- 2014 – present      **Core member, Stanford Storyboard Club**
- Create storyboards for videos, podcasts, comics, and narratives

## SKILLS

---

### Technology

- C, C++, Java, HTML, CSS

### Art and Design

- Adobe Photoshop, Adobe Illustrator, sketching, storyboarding

### Language

- Mandarin Chinese, conversational
